Writing reviews when you've got other things to do is a sacrifice, but I know that I appreciate thought out ones bc they help me, so I hope this helps others get what they're looking for. Here goes: I took piano lessons as child, a few as teenager and never made it very far. I can play a few church hymns

and primary songs, and nearly any piece I want to as long as I practice long enough. I wanted some music that wouldn't take me all year to learn, but that sound pretty, and that I can sing along too. I know a big order for a girl who never did her practicing, right?.I really like this book. Some of the arrangements are prettier piano pieces than others, but I am very satisfied with my purchase. The selection of songs is really good, the lyrics are there and some of the pieces I sat down and nearly played right through, (but they're not BIG Note ;) So I can play pretty arrangements that hold the melody line and sing along. They are not difficult, but a challenge enough for me on timing and to play through perfectly that its good practice for me too. I hope this helps you. the list of all included songs I included below.Included are:Away in a mangerBelieve (from the Polar Express)Blue ChristmasThe Christmas WaltzDeck the HallsFeliz NavidadThe First NoelFrosty the SnowmanGod Rest Ye Merry GentlemenGood King WenceslasGrandma Got Run Over By a ReindeerHappy Xmas (War is Over)Hark!
