Land Art In Town: Simple Inspiration Through The Seasons

Synopsis

In town, it is sometimes hard to remember that the natural world is all around us. Here are over one hundred simple, playful, inspiring pieces of land art made with easily found natural materials, in a city setting. For anyone who wants to step outside the urban whirl for a moment of creativity, for families and for educators, Land Art in Town is a rich source of inspiration, a reminder that beneath the concrete, there is the beach.
