Cripple Creek District: Last Of Colorado's Gold Booms

Synopsis

The Cripple Creek District, on the back of Pikes Peak in central Colorado, first found fame through Bob Womack, the cowboy who publicized his knowledge of gold in the high country and drew thousands to the area. Gold fever allowed the region to flourish, while strikes, fires, and economic hardships threatened the district's survival. The dwindling population's fortitude, plus innovative ideas to boost the economy, carried the city from a struggling gold-miners' paradise to a favored tourist spot.

Best Sellers Rank: #43 inÂ Books > Audible Audiobooks > Arts & Entertainment > Photography
#588 inÂ Books > Audible Audiobooks > Nonfiction > Travel #1074 inÂ Books > Travel > Pictorial

Customer Reviews

A neat book giving details of the early area difficult to find elsewhere. Jan has a great writing style that's informative and easy to read and her book contains many vintage photos with views I have not previously seen. I just wish there was more! Nice meeting you at the Monarch!Richard Courson,Victor Colorado

I am a native of Colorado and found the book fascinating as my uncle lost his life in one of the mines. I have been looking for more history on Cripple Creek and this book was great.

About half way through this book the pages started to fall out. The pictures and information are informative even if the photos are rather small.

This is one of the most all around informative books I have found on the Cripple Creek Mining District. Own both the book and the kindle book. Is you are interested in learning about this area,

this is the book for you.
