Photojournalism: Content And Technique

Synopsis

Updated throughout to reflect recent technological advances and changes, Photojournalism: Content & Technique, second edition, continues the commitment to contemporary coverage. Your students will learn about the principles, tools, and techniques needed to become effective photojournalists. Like the previous edition, parts and chapters progress logically from beginning to more advanced ideas, yet each chapter functions as an independent unit giving you greater flexibility in the classroom.

Customer Reviews

I bought this book to potentially use it for my undergraduate level documentary photography course. Highly disappointed with the information and b/w photos.

Nice information
