Customer Reviews

I am very creative in many ways but drawing is not my strong suite. This has made it a little easier to learn how to do something that doesn't come naturally. If you are a beginner like me you will find this easy to understand with the instructions walking you through each step. As I'm still learning I look forward to continuing my journey of drawing.

Never ordered this item. record is WRONG.

Great book, I just am not an artist!!!
