Customer Reviews

I ordered this product as a gift for my 9 year old grandson who loves to play the recorder. He had a difficult time learning to read music. Now, he plays his recorder every single night and has progressed, happily, in understanding how to read music. I sent him a text asking how he liked it and his response was "I love it!". Needless to say, we are all very happy with the Learn & Play Recorder Pack.

I love this collection I used to play the recorder in school and wanted to re-learn again!!!! 'œ
