Perfect Victim: The True Story Of The Girl In The Box

Synopsis

Colleen Stan was a sweet-natured, lively twenty-year-old when she set out to hitchhike from her home in Washington to Southern California. Seven years later she emerged from hell, the victim of a bizarre and chilling crime. Cameron and Janice Hooker had literally made her their slave - and forced her to endure all of Cameron's twisted sexual perversions. During these seven years the Hookers had two children, entertained their friends at home and held down jobs - while Colleen was held captive in a coffin-like box under their bed. This is also the story of Christine McGuire, a young, inexperienced deputy district attorney who prosecuted Cameron Hooker for kidnapping and successfully explained why Colleen - who had numerous chances to escape - stayed captive for so many years. --This text refers to an out of print or unavailable edition of this title.

ASIN: B00005462V

Best Sellers Rank: #153 inÂ Books > Audible Audiobooks > Nonfiction > True Crime #1118 inÂ Books > Biographies & Memoirs > True Crime

Customer Reviews

Cameron Hooker appeared to the outside world as a quiet, hard-working, mild-mannered young man with a nice, quiet wife. But inside, Cameron was driven by sadistic fantasies of having a dungeon of female slaves totally under his control, to torture, have sex with, and order about as he wished. Cameron put many hours into studying up on psychological dominance and constructing appropriate places and devices to keep and torture a slave, before he put his plan into action to actually grab one. His mousy wife, not wanting to be tortured herself and not wanting to lose her husband, went along with the plan. Cameron's first attempt was a failure in that he went too far and actually killed his victim. His second attempt, in which he kidnapped Colleen Stan, was more successful in that he managed to keep her around for years, after breaking her psychologically through torture, deprivation and isolation. As part of his coercion, he showed her an official-looking

"slave contract" saying that if she escaped, she would be hunted down and killed by a national network of slave masters, and her loved ones would also be killed. Colleen Stan was fortunate in that she managed to survive Cameron's tortures, including being hung by her arms for extended periods, burned, electrically shocked, and kept in a coffinlike box under the Hooker's bed in a sweltering trailer for several days with almost no water. Eventually she was able to forge a bond with Cameron's neglected and fearful wife, who helped her escape and also helped the authorities bring Cameron to justice. Colleen was not so fortunate in that the prosecutor in her case, Christine McGuire, apparently wrote this book about her experiences and did not share the profits with Colleen, which is pretty sleazy in my opinion.
