Customer Reviews

My daughter is learning the recorder on her own over the summer. She wants to be in recorder class and choir in the 3rd grade, so she's preparing to be an excellent music student ahead of time, over the summer. The price was nice also. Less than \$20 to make my little princess happy and it's educational too.J. Willis-Harris

The recorder sounds great, the book is simple (too simple for me). And anyone can learn to play the recorder.
