Gotta Have It: 69 Stories Of Sudden Sex

Synopsis

Rachel Kramer Bussel has collected a wide and wild variety of original erotica stories that are deliciously short - just one orgasmic bite at a time. In 1,200 words or less, these authors explore every which way you can "get it on", including threesomes, sex toys, public sex, BDSM, fetishes, and much more. Get "Anal-yzed", learn "The Advantage of Working from Home", and spy some risqué "Vacation Pictures". There are pecan rolls dripping in caramel and meals where lovers feast on nothing but each other. From crossword puzzles to Godzilla, these tales are perfect for reading aloud before you live out your own frisky fantasy. For those who like their sex quick and naughty, Gotta Have It has a host of erotic offerings to get you going.

Customer Reviews

This is my first time reading anything written or compiled by Rachel Kramer Bussel, so I wasn't sure what to expect - I only knew that there is a lot of mediocre erotica out there. I was pleasantly surprised by this collection of short-short stories. Definitely better than just mediocre. No painfully awkward euphemisms for sexual anatomy, which is worth a lot in my mind! For the most part, the stories are very well-written. There were a handful that simply didn't do it for me in terms of the author's writing style, but the positives far outweighed the negatives. One of the best things about this collection is that all 69 stories are under 1200 words, so it's easy to pick up and put down when you can't make the time commitment for longer chapters. Not to mention the fact that the heat level rises quickly and gets to the point without any contrived set-up. That's not to say there's no plot or story arc, because there is - another aspect that sets these stories a notch above the rest. I was

surprised by the emotional depth encapsulated in so few words in many of the stories. Regarding the erotic content, there's something for everyone in this collection: light bondage and BDSM play, stranger sex, public sex, the deep bond of long-term partners, and much, much more. Bussel has done an excellent job of structuring the anthology as well. The first story, Seven-Letter Word by Heather Lin, is fun and sexy, and it sets the tone so that you won't want to put the book down after just one story. The last story, Robert Peregrine's Vacation Pictures, has a unique voice that combines the erotic with a touch of humor and leaves you with the desire to flip back through the book the way you'd look back snapshots from your own favorite vacation to relive all the best parts.
