The Twelve Chairs [Russian Edition]

Synopsis

The Twelve Chairs is one of the most popular and prolific satirical novels written by Odessa-based Ilya Ilf and Yevgeny Petrov. Set in Soviet Russia, the story starts with a deathbed confession about substantial family treasures hidden from the Bolsheviks in one of the twelve chairs. A team of treasure hunters is quickly formed. Smooth operator Ostap Bender and Kisa, the Pussycat, set off to track down the chairs. They are not alone in their quest. Father Fyodor took advantage of the deathbed confession and has also set off to recover the fortune. Read in Russian by Veniamin Smehov. This release is part of the Russian Audio Library collection published by Sovereign Classic - www.sovereignclassic.net

Customer Reviews

The book arrived in great condition, especially for a used book. The shipping time was longer than promised, and it was shipped at a much later date. However, the product itself is very satisfactory.
