## **Customer Reviews**

This book was required for my son's school band. It is well enough made that it has survived most of the school year intact and looks like it will last for much longer. With my 10 year old- that's saying a

LOT.

This book costs twice as much through the web site our school recommends us using! I cannot imagine paying more for something they would only use for one school year. This was shipped fast and arrived in mint condition! Saved the day!

This book was required for my daughters 6th grade band class. It seems to be well thought out and easy for her to use. Great to have CDs to hear unfamiliar songs and to get rythm right.

Great book super easy to use. My son loved this edition. Packaging was great and the order came quickly.

Just what my daughter needed and less then what the school wanted for the same product. Very Happy

this is the book my son needed for band it came in a timely manner and it was in perfect condition

book for my son's percussion and i thought it was very good.
