Customer Reviews

I ordered this even though I knew the one I was getting had "a flaw". When it arrived I found out that the flaw is that it is missing the flute part. Kind of sad. But I LOVE the songs, the CDs and the book! I can hardly wait to have time to practice!

This is a great book to use for solo performances & for an aspiring student looking for challenging material. It has the flute and piano parts together on a grand staff in the book. It also comes with a smaller booklet for just the flute part which is really helpful, as well as the CDs!

I got this for my girlfriend for her birthday, and she absolutely loved it! She loves Bach and his

Eminor sonata is one she'll be playing on her recital.
