WELL DONE! MUSIC PHARASEING GREAT.EVA WAS VERY UNIQUE . HER MUSIC IS THE MOST BEAUTIFUL THAT I HAVE EVER HEARD. BEING A SINGER/MUSICIAN THIS IS A MUST TO HAVE THE ARRANGEMENTS ARE AWSOME.

This book captures the details of Eva's arrangements on both the vocals and accompaniment. Someone took a great deal of time to notate her phrasing and the actual chords she plays. An excellent study of her beautiful style.

I was looking for intermediate-level piano music that captured Eva's lovely arrangements. The book is perfect. The arrangements are not too difficult, but not so easy as to be boring. I love it and will give it to friends who are Eva fans.

Do you like Eva Cassidy? Do you want to play and sing with her special style? I found this book challenging for me, just a plain piano player. And I was glad that the tunes are in a low voice, just like on her albums, so I can sing and play just for my own enjoyment. I am so glad to have this music in my collections.

This is a great collection of Eva's interpretations of jazz and pop standards. The tune choice is nothing special - these songs have been covered by countless artists over the years. However Eva's interpretations of these tunes were what made them fresh and powerful. The vocal line in the book faithfully reproduces Eva's unique blues and gospel phrasing and superb use of building and releasing tension. If you can't learn her style just by listening, this book will point you the rest of the way.

This was a gift and have given 3 of them. They all loved the book.

Wonderful yet sad...yet wonderful. Everyone should read and learn and try to be just a little bit like this wonderful woman. Why kill an ant when you can just offer him something tasty and lure him outside? Eva says it all. Well, maybe not all, her music says the rest.

What a wonderful way to ensure that the priceless quality of Eva's talent is available forever to musicians and singers! My copy is now a Family Heirloom.
